Important note

The M/V Bella Desgagnés' primary mission is to transport cargo to local communities and provide them with a safe and reliable means of transportation every week. The voyage is not a traditional cruise.

The duration of port calls is therefore determined based on the time needed to load and unload cargo. The time may also be increased or decreased if, for diverse operational reasons, the ship must make up for a delay or adjust its schedule due to unfavorable sailing conditions.

Given the constraints of sailing conditions the timetable is in no way guaranteed. If you have made arrangements to use the services of another public carrier (plane, ferry, motor-coach or rail services) to return home at the end of your sea voyage, we recommend that you give yourself a 36 to 48 hour window between disembarking from the vessel and your embarkation with the subsequent carrier.
