Kaoha Nui Ranko,

Aranui Cruises is pleased to announce its two summer promotions, starting with Voyage 10, May 7th up to and including Voyage 18, August 27th, 2022. While the promotions will run concurrently, they cannot be combined.

- \$1000 off Deluxe and Superior Deluxe
- \$1500 off Premium and Royal Suites

## PROMOTION 2

## PROMOTION 1 & 2 TERMS AND CONDITIONS:

- No sale end date
- Offer is valid for Voyages 10, 11, 12, 13, 14, 15, 16, 17, 18
- Promotions cannot be combined
- Valid for new reservations only
- Not retroactive

## FUEL SURCHARGE

As we are all aware of the situation worldwide and at home when filling our gas tank, the sharp increase in fuel costs have impacted the operation of Aranui 5 and as a result, we have had to implement a fuel surcharge for the foreseeable future. A \$140 surcharge per person will be applied to all new reservations starting April 11th, 2022. We regret this unfortunately necessary measure and appreciate your understanding.

## AMENDED TESTING REQUIREMENTS

For some good news, starting with Voyage 9, April 23rd, and as French Polynesia has relaxed its health protocols due to the situation on the ground, Aranui Cruises will now require a negative result from an antigen test to board instead of a RT-PCR test. Guests will need to get testing done at one of the local pharmacies within 24 hours prior to embarkation and present a copy of the result to our medical team during the health screening process at the pier. Once completed, they can proceed to check-in on board.

We thank you for your support and hope to welcome your clients on board Aranui 5!

Sincerely,  
Michael
